

**Carmenlita Scott**  
**President and CEO**  
**ATL Airport Chamber, Inc**

---

Carmenlita Scott is a visionary executive leader with a distinguished career in organizational transformation, economic development, and strategic business leadership. As the President & CEO of the ATL Airport Chamber and the ATL Airport Chamber Foundation, she catalyzes growth by fostering collaboration among industry leaders, policymakers, and stakeholders to advance economic prosperity. She cultivates and inspires collegial relationship-building through her servant leadership approach, driving common goal-setting and accountability across multigeographic resources.

With extensive experience in executive management, Ms. Scott has led high-impact initiatives that have refined operational efficiency and stakeholder engagement. Under her leadership, the ATL Airport Chamber achieved an 82% increase in corporate investor engagement within 12 months, demonstrating her ability to cultivate a high-performance culture that fuels sustainable business growth.

**Board Leadership and Industry Influence**

Ms. Scott is a respected leader in the business and civic communities. She serves on multiple boards, contributing her expertise to regional economic and workforce development initiatives. Her board leadership includes:

- Board of Directors, Regional Business Coalition
- Former Board Member, ATL Interfaith Chaplaincy
- Former Board Member, Georgia Association of Chamber of Commerce Executives (GACCE)
- Advisory Board Member, Finding the Flint – An environmental protection and waterway restoration program

**Strategic Priorities: Education, Workforce Development, and Economic Empowerment**

As a champion of education, workforce advancement, and community impact, Ms. Scott has spearheaded key programs designed to build a sustainable talent pipeline and enhance economic opportunities. These programs provide tangible benefits to the community, demonstrating her commitment to long-term economic and leadership

development. She has been instrumental in developing:

- Young Enterprising Scholars Program – Equipping emerging leaders with essential business and entrepreneurial skills.
- Elevate ATL: South Metro Leadership Academy – Preparing professionals to drive regional economic growth through leadership development.
- Economic Development Institute – Facilitating strategic business innovation and investment opportunities.
- Stuff the Plane Back-to-School Supply Program – This program provides essential school supplies to students from underserved communities, including homeless students.

### **Recognitions and Industry Accolades**

Ms. Scott's expertise in Aviation Management, Nonprofit Leadership, Critical Incident Response Management, and Sustainable Enterprise Management has positioned her as a nationally recognized thought leader. Her contributions have been acknowledged through numerous prestigious awards and industry recognitions, including:

- Top 100 Influential Women in Georgia – Georgia Engineering
- 10 Best CEOs of 2021 – Industry Era Magazine
- Top 10 Admired Leaders of 2022 – Industry Era Magazine
- 2022 Local Businessperson of the Year (Southeastern Atlanta) – Alignable
- Featured in Who's Who of America
- Annual Recognition in Focus: Atlanta
- 2025 Airports and Freight Guide

### **Academic Excellence and Executive Education**

Ms. Scott holds a Bachelor of Science in Business with a concentration in Sustainable Enterprise Management and a Master of Science in Business Administration. Her pursuit of executive education has further solidified her expertise in transformational leadership, nonprofit management, and economic policy. Her educational credentials include:

- Executive Certification in Transformational Nonprofit Leadership – Mendoza College of Business, University of Notre Dame

- Graduate, Institute of Organization Management (IOM) – Villanova University
- Graduate, Education Policy Fellowship Program – Institute for Educational Leadership
- Graduate, Regional Leadership Institute – Atlanta Regional Commission

These academic achievements underscore her commitment to continuous learning and her expertise in business and leadership.

### **Vision and Commitment to Innovation**

With a strategic mindset and an unwavering commitment to economic innovation, Carmenlita Scott continues to be a driving force in business growth, community partnerships, and the future of economic development.
